ENGAGE – THE WORD

Read: Mark 9:20 -24

Let us ask these questions to get the members interactive:

- What is one thing that stood out for you from this scripture reading?
- What stood out from you from the sermon Pastor preached?

Read: Mark 16:17

So, Pastor said, **real faith produces real evidence**, let us talk about that:

- When you hear '*these signs will follow those who believe*,' what kind of 'evidence' do you think Jesus is talking about in everyday life?
- What do you think is the difference between believing in God and actually living like you believe Him?
- What changes when belief becomes real?

Let us discuss the two-main points Pastor mentioned:

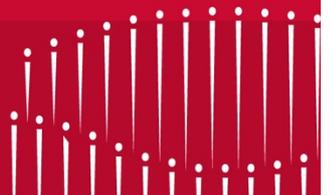

1. The reality of the battle.
2. The real issue was faith.

Get two people to read: John 8:39 & Hebrews 13:8

1. The reality of the battle

- Why do you think people can believe in God, but still struggle to see Him move in their lives?

INVASION

- Have you ever experienced a situation where you prayed and nothing seemed to change?
👉 Follow-up: What did that do to your faith in that moment?
- The father still brought his son to Jesus even after disappointment, what does that teach us about real faith?

2. The real issue was faith

- Do you find it easier to believe that God can do something, or that He will do it for you personally? Why do you think that is?
- What do you usually focus on when you're facing a difficult situation? How does that affect your faith?
- What would it look like to act on that belief this week?
- What do you think holds people back from believing God for something in their own life?
- If miracles are invitations to believe, how should that change the way we read the Bible?

DO YOU BELIEVE GOD CAN DO IT FOR YOU?
