## ENGAGE – THE WORD

These past two weeks at church have been so amazing, God has been on the move:

- Allow members the opportunity to share their experiences from Pastor laying hands on everyone, and how they experienced the fire of God, the indwelling of His Spirit and the Baptism of the Holy Spirit upon you!

**Get two people to read: 1 Kings 18:23-24, 30 & Romans 12:1**

The fire of God is His power and presence that transforms lives. Throughout Scripture, God's fire often falls on those who are willing to seek Him, wait on Him, and expect Him to move.

- What does the fire of God represent in a believer's life, and why do you think it is often misunderstood?
- Why is waiting on God becoming increasingly difficult in today's world, and what happens spiritually when believers choose to tarry before Him?
- When was the last time you intentionally set aside time to seek God, listen to His voice, and wait on Him? What was the outcome?

God ignites the fire, but believers are responsible for keeping it burning. The fire of God is closely connected to His voice, His presence, and His purpose.

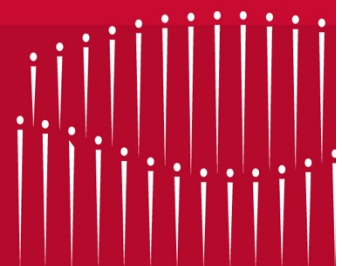

- What is the difference between having the Holy Spirit dwelling within you and living as someone who actively carries God's fire?
- What practical things help keep the fire of God burning in your life, and what things tend to extinguish it?

Before the fire fell, Elijah repaired the altar and placed a sacrifice upon it. In the New Testament, repentance means repairing the altar, and we become the living sacrifice.

- What does "repairing the altar" look like in the life of a believer today, and why is repentance such an important part of it?

- Elijah's sacrifice cost him something. What sacrifices is God asking believers to place on the altar today?

**Revival is not sustained by religious activity but by surrendered hearts. God desires believers who continually choose Him and live fully yielded to His purpose.**

- Why do you think some people witness revival around them but never personally experience its transforming power?
- How can lukewarmness, comfort, or religious routine prevent believers from experiencing the fire and power of God?
- What does it practically mean to live as a "living sacrifice" every day, and how can grace empower us to make that choice?
