## ENGAGE – THE WORD

Let us read this scripture and ask these questions to get the conversation flowing:

**Read: Ephesians 1:3 - Blessed be the God and Father of our Lord Jesus Christ, who has blessed us with every spiritual blessing in the heavenly places in Christ.**

- If we truly believe that we are already blessed, how should that change the way we speak and live daily?
- What are some beliefs that we may be holding onto that are affecting our words and the life we are experiencing, and how can we align them with God's truth?

Pastor made a few points on Sunday let us discuss them all briefly:

You are not trying to be blessed you are already blessed

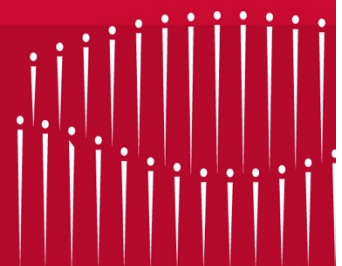

**Get two people to read: Galatians 3:13 -14 & Joel 1:4**

- What does it mean to you personally that you are already blessed, not trying to become blessed?
- How can your words either reflect the blessing of God or contradict it in your daily life?
- In what areas do you need to shift your mindset from “fighting for victory” to “living from victory”?
- How can you practically live out “I am who the Bible says I am” this week so others can see God through you?

What does the word blessed mean?

**Get a few people to read: Deuteronomy 28:2, Matthew 5:3, Deuteronomy 8:18 & Genesis 26:12**

THE SECOND WAVE

- What does being “blessed” mean to you beyond material things?
- How does knowing you are empowered by God change the way you face challenges?
- In what area of your life do you need to remind yourself that failure is not final and the pit is not your identity? (rhetorical question, members do not need to answer out loud but they should think about it)
- How can you practically live like God is your source, even when circumstances (like the economy) say otherwise?
- What does it look like in your daily life to believe that you are empowered to prosper in every season?

Definitions as given by Pastor on Sunday:

- Deuteronomy 28: 2 - Empowered to prosper, favoured by God and positioned for increase.
- Matthew 5:3 - Spiritually secure, approved by God living from a divine reality
- To be blessed means to be empowered by God, to succeed, prosper and overcome.

As we conclude let us discuss your belief system and why you are blessed

Get a few people to read: Matthew 12:34, 2 Corinthians 4:13 & Genesis 12:2

Belief System:

- How does your belief system influence the way you speak about yourself and your life?
- What is one belief you may need to change so your words and life align with God’s truth?

Why You Are Blessed:

- What does it mean to you that you are “blessed to be a blessing”?
- How can you practically allow God’s blessing to flow through you to impact others this week?
