Title: "Manifesting & Managing the Blessing In These Days & Times, Pt. 10: Wealth, Mammon, Riches, & Money, Pt. C"

At A People of God, we are "_____ into the earth A People
_____ to _____."

To manage material prosperity, we must WITH CLARITY understand the difference between
_____, _____, _____, and _____.

2 Corinthians 9:10 tells us that every resource with which God blesses us can be either
_____ or _____. Seed is _____. Bread is _____.

NIV Luke 15:12-13: "Father, give me my share of the _____ The younger son got together all he had... and there squandered his _____ in wild living." Notice: the scripture calls it wealth right up until it's turned into money to be spent. But once the money is used to buy things that are consumed with nothing left producing, wealth becomes _____.

The younger son and the elder son stand on opposite sides of that exact confusion: one mismanaged his resources by treating wealth like _____ he could spend all at once. The older son mismanaged his resources by treating _____ like something that had to be earned by work, not by the system. Wealth doesn't come by putting _____ to work, wealth comes by putting your _____ to work.
