1. Would you say you are a positive influence on the sheep you shepherd? If so, how? What are steps you can take to more positively impact those you lead?
2. How do you provide the “leavening” Howard mentions to the lives of the sheep you shepherd?
3. Do you currently feel alone in your shepherding journey? If you do, to whom will you reach out to today to ask for perspective, insight, and assistance?
