

DIGGING DEEPER

Dig Deeper into the Shepherds in Action Interview with Kevin Becht.

1. Am I currently available and listening to the Holy Spirit, here and now, in the current space I'm in? Am I practicing His presence in my own life so I can be present for those I lead?
2. Am I too busy, or moving too fast to hear and know clearly how I can best provide for those I shepherd?
3. How can I learn from the example of protection at Asbury during these 16-days and transfer to it my current space?
