

Day 3: The 3D Evidence

KNOW IT!

"And if Christ has not been raised, your faith is futile and you are still in your sins."

— 1 Corinthians 15:17, ESV

"Jesus said to her, 'I am the resurrection and the life. Whoever believes in me, though he die, yet shall he live.'" — John 11:25, ESV

"For we did not follow cleverly devised myths... but we were eyewitnesses of his majesty." — 2 Peter 1:16, ESV

When scientists put a photograph of the Shroud into a VP8 Analyzer—a machine designed for 3D imaging of topographical landscapes—it produced a perfect 3D rendering of a human figure. No regular photograph has ever done this. This means the Shroud is not just an image; it carries spatial and dimensional data encoded into it.

Spiritually, the Resurrection is not flat or theoretical—it's dynamic and multidimensional. Jesus didn't just rise for a moment; He rose to give us a full, abundant life (John 10:10). The Gospel is not one layer of truth; it's a deep well of grace, mercy, power, and love. God wants you to experience the full dimension of life in Christ. Don't settle for a surface-level faith. Press in deeper.
