# Abortion Addict Confesses 15 Procedures in 16 Years

*Half of all abortions are repeats, among older women who use contraception.*

Sept. 21, 2009— -- Irene Vilar worries that her self-described "abortion addiction" will be misunderstood, twisted by the pro-life movement to deny women the right to choose.

Her book, ["Impossible Motherhood,"](#) which will be released by Other Press on Oct. 6, chronicles her own dark choices: 15 abortions in 16 years, much of it as a married woman.

## **Romans 1:18-25**

**For the wrath of God is revealed from heaven against all ungodliness and unrighteousness of men, who suppress the truth in unrighteousness, because what may be known of God is manifest in them, for God has shown it to them. For since the creation of the world His invisible attributes are clearly seen, being understood by the things that are made, even His eternal power and Godhead, so that they are without excuse, because, although they knew God, they did not glorify Him as God, nor were thankful, but became futile in their thoughts, and their foolish hearts were darkened.**

**Romans 1:18-25** *(continued)*

**Professing to be wise, they became fools, and changed the glory of the incorruptible God into an image made like corruptible man—and birds and four-footed animals and creeping things.**

**Therefore God also gave them up to uncleanness, in the lusts of their hearts, to dishonor their bodies among themselves, who exchanged the truth of God for the lie, and worshiped and served the creature rather than the Creator, who is blessed forever.**
