

## **DAY 2: God's Word is Truth**

**KNOW IT!**

**John 17:17**

**"Sanctify them in the truth; your word is truth."**

**Numbers 23:19**

**God is not man, that he should lie,  
or a son of man, that he should change his mind.**

**Has he said, and will he not do it?**

**Or has he spoken, and will he not fulfill it?**

**Hebrews 13:8**

**Jesus Christ is the same yesterday and today and forever.**

**Jesus Himself declared that God's Word is truth. In a world filled with shifting morals and ever-changing "truths," God's Word remains the one solid foundation. If we do not hold firmly to the truth of Scripture, we risk being swayed by cultural opinions and personal preferences. When God speaks, He does not exaggerate or mislead—He means exactly what He says. We serve a God who remains the same yesterday, today, and forever. Numbers 23:19 reminds us that God is not human, that He does not lie or change His mind. This unchanging nature of God is a source of great comfort and hope. It means that His promises and His Word are sure, His love is constant, and His character is reliable.**
