

*At Concordia, we want to help you grow spiritually. **Growth Groups**, which will help you explore and apply the Biblical concepts that were introduced in Sunday's teaching, are a part of that process here. In between Growth Group seasons, we want to equip you to follow that same process on your own or with your family. Use this insert to help you explore and apply the concepts that were introduced in today's message.*

**Today's Key Concept:** Jesus has authority like no other. He came to break the power of Satan. He calls us to consider God's absolute authority in every area of our lives. And He uses his authority to bring hope and healing to broken people.

**Bible verses to Explore:**

Philippians 2:9-11

Ephesians 1:18-23

Colossians 1:16-17

Colossians 2:10

Jude 1:24-25

Hebrews 2:14

Revelation 12:10

Romans 1:16-17

Ephesians 6:10, 17-18

**Application and Reflection Questions:**

Is the authority of Jesus comforting or scary for you, or both? Why?

Where do you need Jesus to break sin's or Satan's hold on you? Where do you need Jesus to bring healing in your brokenness?

What parts of your own authority do you struggle to give over to Jesus?

How is the WORD of God an extension of the authority of Jesus? How can I apply that truth in my life in a practical way this week?
