

# LEADER GUIDE

**NO  
PERFECT  
PEOPLE  
ALLOWED**

## MAIN POINT

So there are no perfect people, but God sees us as perfect when we accept Jesus. But there are still so many people trying to be "perfect." What now?

## LEADER NOTES

You have friends, and MOST of them don't go here. They may attend another church, but likely not all your friends attend church. We've got stuff coming up that can get them here, but you gotta reach out. We are called to help others see themselves as God sees them, just like we learned this month.

## DISCUSSION

// So we've learned that nobody is perfect, but through Jesus our Savior, God sees us as holy, blameless, and perfect. That's AWESOME. Do you believe that?

// Who around you needs this desperately? Who is trying to attain perfection around you, and you'd like to help them see themselves as God sees them?

// Journey Church's mission is to accept, love, and serve. Why is that important to understand regarding what we've been talking about with "perfection?"

// IDENTIFY YOUR "ONE." Pledge to bring them to JY next week for fun and regularly attending by December!
