

# LEADER GUIDE

## MAIN POINT

Pride is something God opposes. When we chase fame, we become more prideful. God honors our humility, but many of us don't know how to be humble.

## LEADER NOTES

Last week, we talked about how pride is something God opposes. When we chase fame, we try to get others to be proud of us as we are proud of us. We are trying to boost our name and recognition so we can gain notariety, money, and influence. God opposes prideful people, but he shows FAVOR to the humble and oppressed. What does it mean to be humble? How do we begin to, "clothe ourselves in humility?"

## DISCUSSION

// Have you ever noticed that the more pride you feel, the harder things get for you?

// Read James 4:6. What do you take away from that?

// What is it about pride that you think God doesn't like?

// If God opposes prideful people, what should you be like?  
Read Proverbs 3:34.

// What does it mean to be humble? How does a humble person carry themselves? Give situations and examples.

// Tie this all in with the idea of fame. Fame = Pride recognized by others. With all we've talked about and understood about pride, what does that mean about chasing fame as we understand it?

// How can you practice humility this week?
