1 Chronicles 29:14 (NIV)

14 “But who am I, and who are my people, that we should be able to give as generously as this? Everything comes from you, and we have given you only what comes from your hand.

1 Chronicles 29:16 (NIV)

16 Lord our God, all this abundance that we have provided for building you a temple for your Holy Name comes from your hand, and all of it belongs to you.

1 Chronicles 29:17 (NIV)

17 I know, my God, that you test the heart and are pleased with integrity. All these things I have given willingly and with honest intent. And now I have seen with joy how willingly your people who are here have given to you.

1 Chronicles 29:18 (NIV)

18 Lord, the God of our fathers Abraham, Isaac and Israel, keep these desires and thoughts in the hearts of your people forever, and keep their hearts loyal to you.

BREAD OF LIFE

PASTOR DANA WALKER

The Full Armor of GOD

Ephesians 6:10-17

10 Finally, be strong in the Lord and in his mighty power. 11
Put on the full armor of God, so that you can take your stand
against the devil's schemes. 12 For our struggle is not against
flesh and blood, but against the rulers, against the authorities,
against the powers of this dark world and against the spiritual
forces of evil in the heavenly realms.

Ephesians 6:10-11 (NIV)

13 Therefore put on the full armor of God, so that when the day of evil comes, you may be able to stand your ground, and after you have done everything, to stand.

Ephesians 6:13 (NIV)

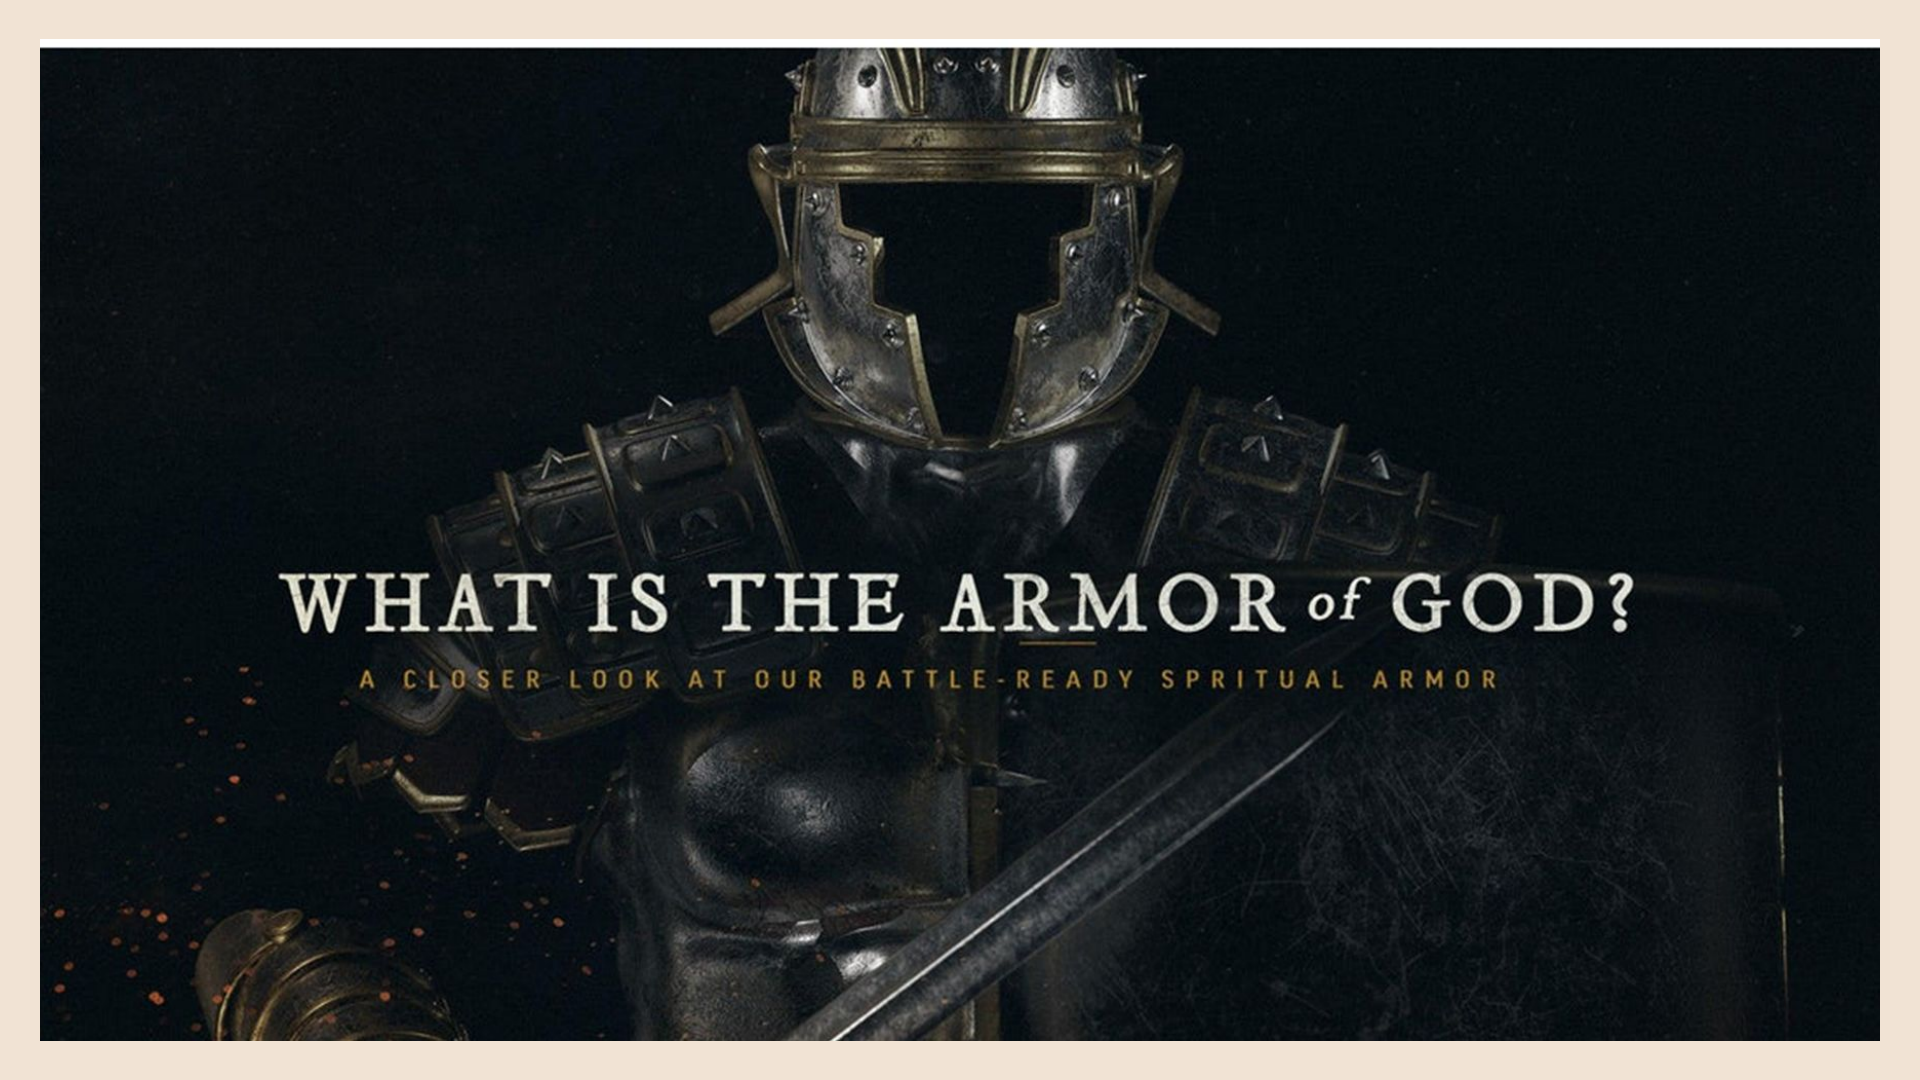

14 Stand firm then, with the belt of truth buckled around your
waist...

Ephesians 6:14 (NIV)

“Armed & Dangerous”

Ephesians 6:14a (NIRV-NLV-NLT)

A close-up photograph of a medieval metal helmet and armor pieces. The helmet is made of dark metal with a large, rectangular face opening. It is surrounded by various armor components, including shoulder guards and a sword hilt, all set against a dark, textured background. The lighting highlights the metallic surfaces and the intricate details of the armor.

THE UTILITY BELT

BATARANGS, monofilament cord jumplines, and gas bombs are just a few of the "equalizers" the Dark Knight conceals in his Utility Belt, perhaps the most sophisticated crime-fighting arsenal ever devised. Stowed in various compartments are the miniaturized tools and non-lethal deterrents Batman calls upon in his nocturnal vigil. With gas pellets, wireless transmitters, lock-picks, antitoxins, rebreathers and

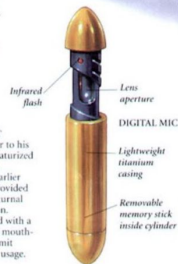

other sophisticated equipment, the belt is also armed with its own self-destruct mechanism to prevent nefarious tampering.

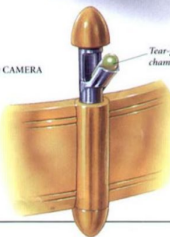

MAXIMUM UTILITY
Batman's original Utility Belt, depicted here, was lightweight and streamlined. Its buckle concealed a spare jumpline and a CO₂-propelled grappling-hook launcher. During the No Man's Land period (see page 24), Batman adopted a bulkier version to carry additional weapons and supplies necessary for survival in quake-ravaged Gotham City.

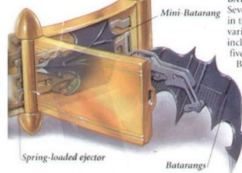

PENLIGHT
A precursor to his more-miniaturized fingerlight, Batman's earlier penlight provided ample nocturnal illumination. It was fitted with a rubberized mouth-grip to permit hands-free usage.

DIGITAL MICRO CAMERA

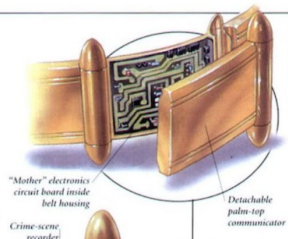

GAS PELLETS
Spring-loaded magazine cylinders in the belt are armed with various gas and chemical "pellets" of standard size. These include blinding smoke bombs, as well as disabling regurgitants and tear gases.

Spring-loaded ejector

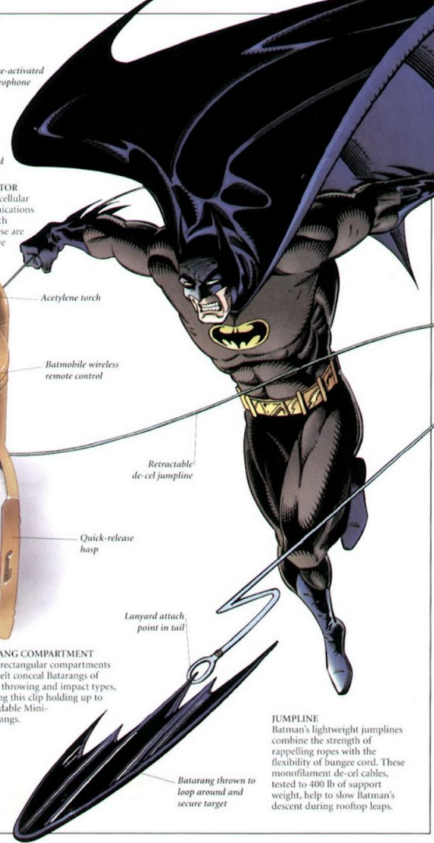

Batarangs

"Mother" electronics circuit board inside belt housing
Detachable palm-top communicator
Crime-scene recorder

Liquid crystal display
Touch-sensitive keypad
USB Plug and connectors

Voice-activated microphone

Acetylene torch

Batmobile wireless remote control

Retractable de-cel jumpline

Quick-release loop

Lanyard attach point in tail

Batarang thrown to loop around and secure target

PALM TOP COMMUNICATOR
Batman utilizes encrypted cellular phone and e-mail communications via secure-linked WayneTech satellite transmissions. These are routed through the Batcave computer network.

BATARANG COMPARTMENT
Several rectangular compartments in the belt conceal Batarangs of various throwing and impact types, including this clip holding up to five foldable Mini-Batarangs.

JUMPLINE
Batman's lightweight jumpelines combine the strength of rappelling ropes with the flexibility of bungee cord. These monofilament de-cel cables, tested to 400 lb of support weight, help to slow Batman's descent during rooftop leaps.

The Whole Armor of God

14 So, remain strong in the faith. Put the belt of truth around your waist... (NIRV)

14 So, stand up and do not be moved. Wear a belt of truth around your body... (NLV)

14 Stand your ground, putting on the belt of truth... (NLT)

The entirety of Your

judgments endures
forever.

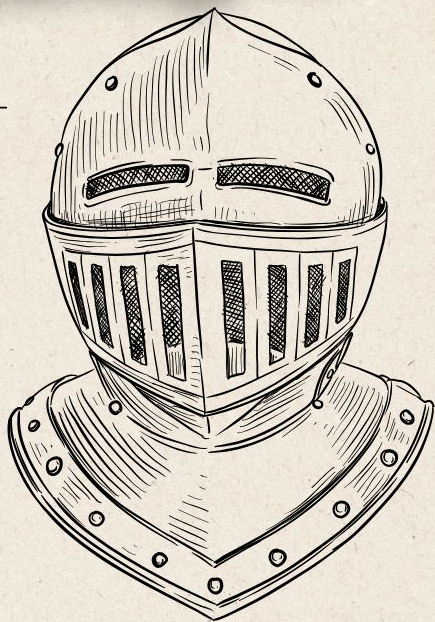

John 16:13 NKJV:

However, when He, the

He hears He will speak;
and He will tell you
