

**Message notes:**

This is the \_\_\_\_\_ of Christ: He was rich, but He thought about others more than Himself.

\_\_\_\_\_ is Christ's mindset that would say "do this for people that couldn't care less."

You can't be rich in the flesh (prideful and arrogant) and be wealthy in the \_\_\_\_\_.

\_\_\_\_\_ is not eternal, but God is.

If you know Christ, you are a \_\_\_\_\_ person.

It is grace that caused Christ's mindset to say I will \_\_\_\_\_ to others.

**Discussion Questions:**

How did the stair step example that Pastor Jamie started the teaching with impact how you see Jesus stepping into our world?

What stood out to you about 2 Corinthians 8:9?

Why would Jesus willingly give up his riches? What does that show you about His mindset?

Do you find it difficult to trust in God's grace more than earthly riches/money? Why?

What is the difference between being rich in the flesh (prideful and arrogant) and being wealthy in the Spirit?

How does having the mindset of grace challenge our selfishness?

**Ministry Time Questions:**

Has anyone been struggling to extend grace to other people in your life?

Does anyone need prayer to experience more grace from God?
