

One Name (Jesus)

Hmm-mm

Loved before I had a name

Washed before I knew my shame

O the lamb was slain, before the Earth was laid

What an awesome price He paid

I owe it all, all to Jesus

All, every part of me

Lying at His feet

I owe it all, let every breath I take

Rise to bring Him praise

To the glory of one name

Jesus

Oh-oh-oh, oh-oh-oh, oh

Jesus

Hmm

Nail-pierced hands are holding mine

A crown of thorns has freed my mind

Sin cannot exhaust, the grace shown on that cross

Mercy brought back what was lost

I owe it all (All), all to Jesus

All, every part of me

(Lying at His feet)

Lying at His feet

(I owe it all)

I owe it all, let every breath I take

**Rise to bring Him praise
To the glory of one name
Blinded eyes will one day see
Every loss made victory
There is healing in one name, one name
He has silenced every foe
Every high thing brought down low
There is freedom in one name, one name
And soon everyone will know
There still lives a blessed hope
Our salvation's in one name, one name
He will one day come again
To the praises of all men
Hallelujah to one name, one name
I'm talking 'bout Jesus, Jesus
Jesus, Jesus
I'm talking 'bout Jesus
Oh, Jesus, Jesus
We're singing of Jesus
Oh, Jesus (Jesus)
(Blinded eyes)
Blinded eyes will one day see
(Every loss made victory)
Every loss made victory
(There is healing in one name)
There is healing in one name
(Only one name) One name
(He has silenced every foe)
He has silenced every foe**

**(Every high thing brought down low)
Every high thing brought down low
There is freedom in one name, one name
(And soon everyone will know)
And soon everyone will know
There still lives a blessed hope

(Come on, He will one day come again)
He will one day come again
(To the praises of all men) To the praises of all men
(Hallelujah) Hallelujah to one name, one name

We're calling on (Jesus)
We're leaning on, ayy (Jesus)
There's healing in the name of (Jesus)
There's power in the name of (Jesus)
There's freedom in the name of (Jesus)
Jesus (Jesus)
(Blinded eyes)
Blinded eyes will one day see
(Come on, every loss made victory)
Every loss made victory

healer)

(Come on, He has silenced every foe)
He has silenced every foe**

**(Oh, every high thing brought down low)

There is freedom in one name
(One name, one name) One name
(And soon everyone will know, everyone will know)
And soon everyone will know
(There lives a blessed hope)
There still lives a blessed hope
(Come on, say it again, and soon everyone will know)
And soon everyone will know
(There still lives a blessed hope)
There still lives a blessed hope
(And soon everyone will know)
And soon everyone will know
(There still lives a blessed hope)
There still lives a blessed hope
(Our salvation)
Our salvation's in one name, one name
Oh, oh
We're singing out (Jesus, Jesus)
We're leaning on (Jesus)
We're calling on (Jesus)

Believing on, believing on (Jesus)
Jesus (Jesus)
Come on, sing it out
Oh, Jesus (Jesus)**

Jesus (Jesus)
Jesus (Jesus)
There's only one name by which men can be saved
(Jesus)
We're leaning on, leaning on (Jesus)
All of my hope is in You, Jesus (Jesus)
All of my faith is in You, Jesus
We're leaning on (Jesus)
Jesus (Jesus)
Come on lift Him up, lift Him up
Lift Him up
Oh-oh
We love You, we love You

Anywhere Else Bridge Worship

**There's longing in my heart
Just to be close to You
Take me to the start
No other motive, pure and holy
I'll run to where You are
Let it cost me, love so worthy
I'll run to where You are
To see Your glory
What an honor
What privilege
To sit down at Your feet
Just to rest here
In Your presence
It changes everything
Don't want to be anywhere else
A glimpse is all I need
A touch of heaven, here with me
I don't wanna be a stranger to surrendering
(Repeat Chorus)
It's Your presence
This is holy ground
Cause You're the holy one
Here I cast my crown
To the holy one
Forever be the sound
Singing holy one
(Repeat Chorus)**

"Rest On Us"

As the Spirit was moving over the waters

Spirit, come move over us

Come rest on us

Come rest on us

As the Spirit was moving over the waters

Spirit, come move over us

Come rest on us

Come rest on us

So come down

Spirit, when You move

You make my heart pound

When You fill the room

You're here and I know You are moving

I'm here and I know You will fill me

Come down

Spirit, when You move

You make my heart pound

When You fill the room

You're here and I know You are moving

I'm here and I know You will fill me

Hey, come fill us up

Come fill us up

Come fill us up

And as the Spirit was moving over the waters

Spirit, come move over us

Come rest on us

Come rest on us

As the Spirit was moving over the waters

Spirit, come move over us

Come rest on us

Come rest on us

I feel the fire

Fire and wind, come and do it again

Open up the gates, let heaven on in

Come rest on us

Come rest on us

I feel the fire

Fire and wind, come and do it again

Open up the gates, let Heaven on in

Come rest on us

Come rest on us

I feel the fire

Fire and wind, come and do it again

Open up the gates, let Heaven on in

Come rest on us

Come rest on us

So come down

Spirit, when You move

You make my heart pound

**When You fill the room
You're here and I know You are moving
I'm here and I know You will fill me
Come down
Spirit, when You move
You make my heart pound
When You fill the room
You're here and I know You are moving
I'm here and I know You will fill me
Won't You fill me afresh?
Fill me afresh
Holy Spirit, come rest on us
You're all we want
You're all we want
Holy Spirit, come rest on us
You're all we want
You're all we want
Holy Spirit, come rest on us
You're all we want
You're all we want
Holy Spirit, come rest on us
You're all we want
You're all we want (Holy Spirit)
Holy Spirit, come rest on us
You're all we want (Yeah, You're all)
You're all we want**

**Holy Spirit, come rest on us
You're all we want
You're all we want
So come down
Spirit, when You move
You make my heart pound
When You fill the room
You're here and I know You are moving
I'm here and I know You will fill me
Come down
Spirit, when You move
You make my heart pound
When You fill the room
You're here and I know You are moving
I'm here and I know You will fill me (Won't You
come down, come down?)
Come down
Spirit, when You move You make my heart pound
When You fill the room
You're here and I know You are moving
I'm here and I know You will fill me
Come down
Spirit, when You move You make my heart pound
When You fill the room
You're here and I know You are moving
I'm here and I know You will fill me**

'Cause You love to meet us here
Hey, baptize us afresh tonight
Baptize us afresh tonight

"Trust In God"

Blessed assurance
Jesus is mine
He's been my fourth man in the fire
Time after time
Born of His spirit
Washed in His blood
And what He did for me on Calvary
Is more than enough
Oh I trust in God
My Savior
The One who will never fail
He will never fail
I trust in God
My Savior
The One who will never fail
He will never fail
Perfect submission

**All is at rest
I know the author of tomorrow
Has ordered my steps
So this is my story
And this is my song
I'm praising my risen king and savior
All the day long
I trust in God
My Savior
The One who will never fail
He will never fail
I trust in God
My Savior
The One who will never fail
He will never fail
He didn't fail you then
He won't fail you now
Oh
I sought the Lord and He heard and He
answered
I sought the Lord and He heard and He
answered
I sought the Lord and He heard and He
answered
That's why I trust Him
That's why I trust Him**

I sought the Lord and He heard and He answered

I sought the Lord and He heard and He answered

I sought the Lord and He heard and He answered

That's why I trust Him

That's why I trust Him

I sought the Lord and He heard and He answered

I sought the Lord and He heard and He answered

I sought the Lord and He heard and He answered

That's why I trust Him

That's why I trust Him

I sought the Lord and He heard and He answered

I sought the Lord and He heard and He answered

I sought the Lord and He heard and He answered

That's why I trust Him

That's why I trust in God

My Savior

The One who will never fail

**He will never fail
I trust in God
My Savior
The One who will never fail
He will never fail
Oh I trust in God
My Savior
The One who will never fail
He will never fail
I sought the Lord
I sought the Lord and He heard and He
answered
I sought the Lord and He heard and He
answered
I sought the Lord and He heard and He
answered
That's why I trust Him
That's why I trust Him
I sought the Lord and He heard and He
answered
I sought the Lord and He heard and He
answered
I sought the Lord and He heard and He
answered
That's why I trust Him
That's why I trust Him**

Oh

You will never fail

He will never fail

I trust in God

My Savior

The One who will never fail

He will never fail

I trust in God

My Savior

The One who will never fail

He will never fail
