"Come Holy Spirit"

Come, Holy Spirit
Fall on us
Burn like a fire
Living flame of love
Come, Holy Spirit
Fall on us
Burn like a fire
Living flame of love
We're on our knees, holy God
Show us Your glory, oh God
We're on our knees, crying for
Heaven to come to Earth
Come, Holy Spirit
Fall on us
Burn like a fire
Burn like a fire
Living flame of love
Father God, Your will be done
Christ in us, Your kingdom come
Spirit lead us now as one
Set Your Church on fire again
Father God, Your will be done
Christ in us, Your kingdom come
Spirit lead us now as one
Set Your Church on fire again
Father God, Your will be done
Christ in us, Your kingdom come
Spirit lead us now as one
Set Your Church on fire again
Father God, Your will be done
Christ in us, Your kingdom come
Spirit lead us now as one
Set Your Church on fire again

Come, Holy Spirit
Fall on us
Burn like a fire
Living flame of love
Living flame of love
Living flame
Living flame of love
Living flame of love
Living flame of love
Flame
Come, Holy Spirit
Fall on us
Burn like a fire
Burn like a fire
Living flame of love
Come, Holy Spirit
Fall on us
Burn like a fire
Living flame of love
Father God, Your will be done
Christ in us, Your kingdom come
Spirit lead us now as one
Set Your Church on fire again
Father God, Your will be done
Christ in us, your kingdom come
Spirit lead us now as one
Set Your Church on fire again
Father God, your will be done
Christ in us, your kingdom come
Spirit lead us now as one
Set Your Church on fire again
Come, Holy Spirit
Fall on us
Burn like a fire
Living flame of love

"Take You At Your Word"

Your word is a lamp unto my feet
Your way is the only way for me
It's a narrow road that leads to life
But I want to be on it
It's a narrow road but the mercy's wide
'Cause You're good on Your promise
Come on
I'll take You at Your word
If You said it I'll believe it
I've seen how good it works
If You start it You'll complete it
I'll take You at Your word
Come on
You spoke and the chaos fell in line
Well, I know 'cause I've seen it in my life
It's a narrow road that leads to life
But I want to be on it
It's a narrow road and the tide is high
'Cause You parted the water
I'll take You at Your word
If You said it I'll believe it
I've seen how good it works
If You start it You'll complete it
I'll take You at Your word
I'll take You at Your word
I'll take You at Your word
If You said it I'll believe it
I've seen how good it works
If You start it You'll complete it
I'll take You at Your word
You're good on Your promise
Yeah, I know
You're good on Your promise

You said Your love would never give up
You said Your grace is always enough
You said Your heart would never forget or forsake me
Thank you, Lord
You said I'm saved, You call me Yours
You said my future's full of Your hope
You've never failed so I know that
You'll never fail me
I say sing it again
You said Your love would never give up
You said Your grace is always enough
You said Your heart would never forget or forsake me
Hallelujah
You said I'm saved, You call me Yours
You said my future's full of Your hope
You've never failed so I know that
You'll never fail me
I'll take You at Your word
If You said it I'll believe it
I've seen how good it works
If You start it You'll complete it
I'll take You at Your word
I'll take You at Your word
If You said it I'll believe it
I've seen how good it works
If You start it You'll complete it
I'll take You at Your word
'Cause You're good on Your promise
Oh, You're good on Your promise
I'll take You at Your word
Let's go
Hallelujah

"One Name (Jesus)"

Hmm-mm
Loved before I had a name
Washed before I knew my
shame
O the lamb was slain, before the
Earth was laid
What an awesome price He paid
I owe it all, all to Jesus
All, every part of me
Lying at His feet
I owe it all, let every breath I
take
Rise to bring Him praise
To the glory of one name
Jesus
Oh-oh-oh, oh-oh-oh, oh
Jesus
Hmm
Nail-pierced hands are holding
mine
A crown of thorns has freed my
mind
Sin cannot exhaust, the grace
shown on that cross
Mercy brought back what was
lost
I owe it all (All), all to Jesus
All, every part of me
(Lying at His feet)
Lying at His feet
(I owe it all)
I owe it all, let every breath I
take
Rise to bring Him praise
To the glory of one name
Blinded eyes will one day see
Every loss made victory
There is healing in one name,
one name

He has silenced every foe
Every high thing brought down
low
There is freedom in one name,
one name
And soon everyone will know
There still lives a blessed hope
Our salvation's in one name,
one name
He will one day come again
To the praises of all men
Hallelujah to one name, one
name
I'm talking 'bout Jesus, Jesus
Jesus, Jesus
I'm talking 'bout Jesus
Oh, Jesus, Jesus
We're singing of Jesus
Oh, Jesus (Jesus)
(Blinded eyes)
Blinded eyes will one day see
(Every loss made victory)
Every loss made victory
(There is healing in one name)
There is healing in one name
(Only one name) One name
(He has silenced every foe)
He has silenced every foe
(Every high thing brought down
low)
Every high thing brought down
low
There is freedom in one name,
one name
(And soon everyone will know)
And soon everyone will know
There still lives a blessed hope
Our salvation's in one name,
one name
(Come on, He will one day come
again)

He will one day come again
(To the praises of all men) To
the praises of all men
(Hallelujah) Hallelujah to one
name, one name
Yeah
We're singing out (Jesus)
We're singing out (Jesus)
We're calling on (Jesus)
We're leaning on, ayy (Jesus)
There's healing in the name of
(Jesus)
There's power in the name of
(Jesus)
There's freedom in the name of
(Jesus)
Jesus (Jesus)
(Blinded eyes)
Blinded eyes will one day see
(Come on, every loss made
victory)
Every loss made victory
(There is healing in one name,
there's only one healer)
There is healing in one name,
one name
(Come on, He has silenced
every foe)
He has silenced every foe
(Oh, every high thing brought
down low)
Every high thing brought down
low
(There is freedom in one name)
There is freedom in one name
(One name, one name) One
name
(And soon everyone will know,
everyone will know)
And soon everyone will know
(There lives a blessed hope)

There still lives a blessed hope
(Come on, say it again, and
soon everyone will know)
And soon everyone will know
(There still lives a blessed hope)
There still lives a blessed hope
(And soon everyone will know)
And soon everyone will know
(There still lives a blessed hope)
There still lives a blessed hope
(Our salvation)
Our salvation's in one name,
one name
Oh, oh
We're singing out (Jesus, Jesus)
We're leaning on (Jesus)
We're calling on (Jesus)
Oh, trust in Him, trust in Him
(Jesus)
Oh, leaning on, leaning on
(Jesus)
Believing on, believing on
(Jesus)
Jesus (Jesus)
Come on, sing it out
Oh, Jesus (Jesus)
Jesus (Jesus)
Jesus (Jesus)
There's only one name by which
men can be saved (Jesus)
We're leaning on, leaning on
(Jesus)
All of my hope is in You, Jesus
(Jesus)
All of my faith is in You, Jesus
We're leaning on (Jesus)
Jesus (Jesus)
Come on lift Him up, lift Him up
Lift Him up
Oh-oh
We love You, we love
