

We Need a Miracle

Charity Gayle

You're the same God today
And the same God tomorrow
Help me see the victory
You already see
Let my faith be today
What it will be tomorrow
When I've seen the victory
You already see
Ohh Jesus, I believe, oh-ohh
We need a miracle, you are the
miracle maker
God of the impossible, there is no
power
greater
Exceeding, abundant, beyond
what we could
ask or think
We call on your name, Jesus,
yeah
By the power of your name and all
for your
glory
The sick are healed, the soul is
filled, the
battle has been won
On your promise I stand and in
faith I believe it
That what I pray in your name, it's
already
done
In the waiting, you get the glory
In the healing, you get the glory
In the breaking, you get the glory
And in the breakthrough, you get
the glory

In the waiting, you get the glory
In the healing, you get the glory
In the breaking, you get the glory
In the breakthrough, you get the
glory
You get the glory, you get the
glory
(We need) we need a miracle you
are the
miracle maker
God of the impossible, there is no
power
greater
Exceeding, abundant, beyond
what we could
ask or think
We call on your name
We need a miracle you are the
miracle maker
God of the impossible, there is no
power
greater
Exceeding (exceeding) abundant
(abundant)
Beyond what we could ask or think
We call on your name (we call on
your name)
We call on your name (we call on
your name)
We call on your name
.... Jesus

Who You Say I Am

By Hillsong

Verse 1:

Who am I that the highest
King would welcome me?
I was lost, but He brought me
in. Oh, His love for me
Oh, His love for me

Chorus:

Who the Son sets free
Oh, is free indeed
I'm a child of God, yes, I am

Verse 2:

Free at last, He has ransomed
me, His grace runs deep

While I was a slave to sin,
Jesus died for me
Yes, He died for me

Chorus:

Who the Son sets free, Oh is
free indeed
I'm a child of God, yes, I am
In my Father's house, There's
a place for me
I'm a child of God, yes, I am

Bridge:

I am chosen, not forsaken
I am who You say I am
You are for me, not against
me
I am who You say I am

Fall Like Rain

Verse 1:

God, I live to worship You
All my life I offer You
Simple melodies of sacrifice
Open hands and open heart
You're the only one I want
Your presence is my treasure my
delight

Chorus:

Fall like rain
Holy Spirit
Fall like rain
Holy Spirit
Have Your way
Let Your glory fall down
Let Your glory fall down

Verse 2:

One thing I ask one thing I seek
So much more than anything
To dwell within Your house for all
my
days
Knowing You is everything
So I let go of lesser things
You alone are worthy of my praise
Stir in me a passion for Your
Name

Bridge:

May I never lose the wonder of
Your
presence
May I always stand in awe of who
You are
Oh the beauty and the gift of Your
friendship
Is unlike anything I've ever known

Great Are You Lord/ Worthy of it All

Verse 1:

You give life, You are love
You bring light to the darkness
You give hope, You restore every
heart that is broken
Great are You, Lord

Chorus:

It's Your breath in our lungs
So we pour out our praise, we
pour out our praise
It's Your breath in our lungs
So we pour out our praise to You
only 2xs

Bridge:

All the earth will shout Your praise
Our hearts will cry, these bones
will sing
Great are You, Lord
All the earth will shout Your praise
Our hearts will cry, these bones
will sing
Great are You Lord

Chorus:

It's Your breath in our lungs
So we pour out our praise, we
pour out our praise
It's Your breath in our lungs
So we pour out our praise to You
only
Great are You Lord

Chorus:

You are worthy of it all
You are worthy of it all
For from You are all things
And to You are all things
You deserve the glory

Verse:

All the saints and angels
They bow before Your throne
All the elders cast their crowns
Before the Lamb of God and sing

Chorus:

You are worthy of it all
You are worthy of it all
For from You are all things
And to You are all things
You deserve the glory

Bridge:

Day and night night and day let
incense arise
Day and night night and day let
incense arise
Day and night night and day let
incense arise
Day and night night and day let
incense arise

I exalt Thee
I exalt Thee
I exalt Thee oh Lord
I exalt Thee
I exalt Thee
I exalt Thee oh Lord
