Take You At Your Word

[Verse 1:]

**Your word is a lamp unto my feet
Your way is the only way for me
It's a narrow road that leads to life
But I wanna be on it
It's a narrow road, but the mercy's wide
'Cause You're good on Your promise
Come on**

[Chorus:]

**I'll take You at Your word
If You said it, I'll believe it
I've seen how good it works
If You start it, You'll complete it
I'll take You at Your word
Hey**

[Verse 2:]

**Come on, You spoke and the chaos fell in line
Oh, I know 'cause I've seen it in my life
It's a narrow road that leads to life
But I want to be on it, yeah
It's a narrow road and the tide is high
'Cause You're partin' the water**

[Chorus:]

**I'll take You at Your word, woo
If You said it, I'll believe it
I've seen how good it works**

**If You start it, You'll complete it
I'll take You at Your word
If You said it, I'll believe it
I've seen how good it works
If You start it, You'll complete it
I'll take You at Your word
'Cause You're good on Your promise
Yeah, I know You're good on Your promise**

[Bridge:]

**You said Your love will never give up
You said Your grace is always enough
You said Your heart would never forget or forsake me
(Thank You, God)
You said I'm saved, You call me Yours
You said my future's full of Your hope
You've never failed, so I know that You'll never fail me
That's it, sing it again
You said Your love will never give up
You said Your grace is always enough
You said Your heart would never forget or forsake me
Hallelujah
You said I'm saved, You call me Yours
You said my future's full of Your hope
You've never failed, so I know that You'll never fail me**
