

"Glorious Day"

**I was buried beneath my shame
Who could carry that kind of weight
It was my tomb
Till I met You
I was breathing but not alive
All my failures I tried to hide
It was my tomb
Till I met You
You called my name
And I ran out of that grave
Out of the darkness
Into Your glorious day
You called my name
And I ran out of that grave
Out of the darkness
Into Your glorious day
Now Your mercy has saved my soul
Now Your freedom is all I know
The old made new
Jesus, when I met You
You called my name
And I ran out of that grave
Out of the darkness
Into Your glorious day
You called my name
And I ran out of that grave
Out of the darkness
Into Your glorious day
I needed rescue
My sin was heavy
But chains break at the weight of Your glory**

**I needed shelter
I was an orphan
Now You call me a citizen of heaven
When I was broken
You were my healing
Your love is the air that I'm breathing
I have a future
My eyes are open
You called my name
And I ran out of that grave
Out of the darkness
Into Your glorious day
You called my name
And I ran out of that grave
Out of the darkness
Into Your glorious day**

"I Believe"

**From the beginning
You've been unchanging
Age to age You stay
Constant You remain
Every mystery
The questions I've carried
Are safe within Your will
So I trust You even still
I believe
You are Who You say you are
You do what You say You'll do
You'll come through
You are always able
I believe
You've already made a way
So I'm running through parted waves
Straight to You
You are always faithful
Jesus, You're for me
Holding me steady
Every word
Every word you speak
Is a promise that you keep
This firm foundation
Cannot be shaken
Cannot be shaken
My God, You never fail
Never once, You never will
I believe
You are Who You say You are
You do what You say You'll do**

**You'll come through
You'll come through
You are always able
I believe
Yes
You've already made a way
So I'm running
So I am running through parted waves
Straight to You
Straight to You
You are always faithful
I believe
Yes, in the mighty name of Jesus
I believe
That on that cross Your blood was spilled
And by Your stripes I have been healed
And every promise You've fulfilled
I believe, I believe
That You rose again in victory
And that same power lives in me
I'm born again, I've been made free
I believe, I believe
I believe, oh
That the gates of hell will not prevail
Your church is still alive and well
This gospel truth I live to tell
I believe, I believe
That one day
That one day soon You'll split the sky
You're coming for a spotless bride
Until my faith has been made sight
I believe, I believe
I believe**

**You are
You are Who You say You are
You do what You say
You do what You say You'll do
You'll come through
You'll come through
You are always able
I believe
You've already done it
You've already made a way
So I'm running
So I'm running through parted waves
Straight to You
You are always faithful
I believe, in the Gospel of Jesus Christ
I believe
And on that day I've run my race
I'll finally see You face to face
And nothing then will separate
I believe, I believe
I'll join with every tribe and tongue
And bow before the Lamb of God
Singing Holy, Holy, Holy One
I believe, I believe**

"No Turning Back"

**I wanna walk just like You
I wanna talk just like You
Lord, keep my eyes on You
Take up my cross just like You
Lay down my life just like You
Lord, keep my eyes on You
No turning back
No turning back
I have decided to follow Jesus
I have decided to follow Him
The cross before me
The world behind me
No turning back
I wanna walk just like You
I wanna talk just like You
Lord, keep my eyes on You
Yeah, lay down my life just like You
Take up my cross just like You
Lord, keep my eyes on You
No turning back
No turning back
I have decided to follow Jesus
I have decided to follow Him
The cross before me
The world behind me
No turning back
No turning back
No turning back
No turning back
No turning back
No turning back**

**No turning back
You deserve it all, God
No turning back
Nothing less than all
No turning back
No turning back
Everything, God**

Oh

**And if I live, I'm living for You
And if I die, I'm dying for You
Whatever comes, Lord, let it be true
I'm following You, I'm following You
If I live, I'm living for You
And if I die, I'm dying for You
Whatever comes, Lord, let it be true
I'm following You, I'm following You
If I live, I'm living for You
And if I die, I'm dying for You
Whatever comes, Lord, let it be true
I'm following You
I'm following You, I'm following You
And if I live, I'm living for You
And if I die, I'm dying for You
Whatever comes, Lord, let it be true
I'm following You**

**I have decided to follow Jesus
I have decided to follow Him
The cross before me
The world behind me
No turning back
No**

**I have decided to follow Jesus
I have decided to follow Him
The cross before me**

**The world behind me
No turning back
Yeah
Yeah
If I live, I'm living for You
And if I die, I'm dying for You
Whatever comes, Lord, let it be true
I'm following You, I'm following You
If I live, I'm living for You
And if I die, I'm dying for You
Whatever comes, Lord, let it be true
I'm following You, I'm following You
All my life
You're my future God
I'm following You, Jesus
My future and my hope
I'm following You
Just to have You, God
Where You lead me, I will follow
Yes, I'm following You
Take up my cross and follow You
I have decided to follow Jesus
No turning back**
