## The Lord's Promise that Affects Your Forever

Isaiah 65

Pastor Jonathan Pafford | November 23, 2025

*Read for next week: Isaiah 66*

**Timeless Truth:** *The Lord's promise of future transformation greatly affects the current reality of those who trust Him.*

### **HOW THE LORD'S RESPONSE TO ISRAEL'S PRAYER MOTIVATES US**

1. Delight the Lord by obedient worship in all spheres of life (vv 1-7)

God's description of Israel's spheres:

- Worshiping in pagan gardens
- Practicing occultic rituals – necromancy.
- Disregarded the Lord's dietary laws
- Religious arrogance that stunk

How can we obediently worship to be a delightful aroma to the Lord Jesus?

**Colossians 3:12-17 & Romans 12:1-2**

2. Trust the Lord's promise to preserve the remnant of Israel and judge those who abandon Him (vv 8-12)

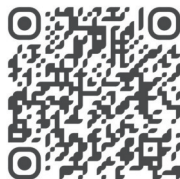

"The Lord says" –

Sharon & the Valley of Achor –

Fortune & Destiny –

The Lord justly measures out His judgment to those who snubbed Him in rebellion and disbelief.

Should Christians support Israel?

### **3. Serve the God of truth who keeps His promises for the full restoration of Israel and the world (vv 13-16)**

The Lord differentiates the outcomes –

The Eternal State (v.17) –

What does the Lord focus Isaiah's attention on before and after verse 17?

The Kingdom Age – also called the Millennial Kingdom or the Messianic Kingdom

Jerusalem –

Lifespans –

The Lord's chosen ones –

Animal kingdom –
