**Questions to think about:**

- What type of people explained in John 12 have you been?
- How will you intentionally walk closely with the Lord Jesus this week?
- If you have experienced callousness in your heart, how did God soften your heart and rekindle your desire to walk close to Jesus again?
- Where do you desire your heart to be as we approach Resurrection Day in a few weeks? Why?
- How can you and your GrowthGroup spiritually prepare to receive what God wants to do in your lives through His Spirit?
