CONNECT GROUP QUESTIONS

October 4 | 2 Corinthians 4:8-9

Before we begin: We will review the Connect Group Covenant together and discuss our shared commitments for our time as a group.

Getting to Know Me

01 What is something you learned that took more practice than you expected? What helped you stick with it?

02 Who has encouraged you when you were ready to give up on something? What did they say or do that helped?

Into the Bible

03 Read Psalm 13. How does David bring both his questions and his trust to God? What does this show us about praying honestly in a hard season?

04 Read 2 Corinthians 12:9-10. What does Paul learn about weakness and the power of Christ? How does this challenge the pressure to always appear strong?

Into the Bible (continued)

- 05** Read **Hebrews 12:1-3**. What helps believers keep going when they grow weary? What might fixing our eyes on Jesus look like in everyday life?

Taking It Home

- 06** The message reminded us that pressure does not mean God has abandoned us. Where do you need that reminder right now, and what helps you remember God is near?

- 07** Sometimes victory means continuing to trust Jesus even when the outcome is not what we hoped. What could faithfulness look like in an unresolved situation in your life?

- 08** What is one next step you can take with Jesus this week, even without knowing how things will turn out? How can this group help you take that step?

Close in prayer: Bring your pressures and questions to Jesus. Ask for His strength for your next step and for courage to receive help from one another.
