**“What Happened At The Cross?”
I Peter 3:18**

I. At The Cross Jesus Died A Sacrificial Death.

The Bible is clear that all have sinned. Since all have sinned then all will die.

So, why did Jesus have to die? He was sinless. Innocent.

Jesus didn't lose His life. He gave His life.

II. At The Cross Jesus Died A Substitutionary Death.

The Bible is crystal clear on the substitutionary atonement of the Lord Jesus.

The Apostle Paul believed in the substitutionary death of Jesus on the cross.

The Apostle Peter and the Apostle John believed in the substitutionary death of Jesus on the cross.

III. At The Cross Jesus Died A Sufficient Death.

Jesus' death on the cross was for the purpose of bringing us (sinners) to God.

On the cross God punished sin. He poured out His wrath on all sin.
