**Bare Branches**

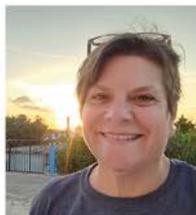

*Lent begins like a bare branch in winter. Just as the bare branch has been stripped of its glory, so Jesus had to surrender his glory and die for the sins of all before his Easter victory over death. It is in the stripping that we discover the mission of his life and the truth about our own. His pattern of dying, and rising, is meant for us all as well. Lent is the 40-day season of repentance when we seek to die to all that is not of Christ, so that we can rise again to the glory of all that is.*
