

When Good Plans Go Bad

June 6, 2021

I. WHAT'S THE BIG IDEA?

Even when we walk in obedience to God, things can seem to go wrong. The key to surviving bad times is continuing to press toward the original goal with flexibility.

II. KEYS TO SURVIVING THE STORM

A. Keep your eyes on the original goal.

B. Listen as you go along.

C. Don't panic with the world.

D. Remember what matters and what doesn't matter.

- E. Allow priorities to be adjusted along the way.**
- F. When the world does its worst, expect God to do His best.**
- G. Look for God's smaller plans along the way to the big plan.**
- H. Look for God's deliverance in each new challenge along the way.**
