## Emerging from the Struggle

September 20, 2020

### I. WHAT'S THE BIG IDEA?

Struggles provide introductions. Struggles introduce us to God; and they introduce us to ourselves.

### II. INTRODUCTIONS:

A. When we struggle we see God more clearly.

1. We meet the God of Justice.

2. We meet the God of Purpose.

3. We meet the God of Comfort.

**B. When we struggle we see ourselves more clearly.**

- 1. We see more clearly who we really are.**
- 2. We see more clearly who we are destined to be.**
- 3. We see more clearly our responsibility.**

**C. There are at least three things we must do as we emerge from the struggle.**

- 1. Continue to move forward.**
- 2. Take advantage of opportunities presented to us.**
- 3. Take stock of what happened while we were in the struggle.**
