## I. WHAT'S THE BIG IDEA? Romans 14:13-15:8

Romans gives us some things to do, and avoid doing, that will positively affect those around us. If we do these things, we will be a part of the solution in this life instead of being part of the problem.

## II. SEVEN STEPS TO A BETTER WORLD

1. Think long-term seed planting.
2. Don't pass judgment.
3. Don't cause others to trip and fall.
4. Protect your testimony.
5. Stop starting over.

6. **Don't just please yourself.**
7. **Accept others where they are, but call them higher.**
