

# Staying Focused When Everything Falls Apart

February 12, 2023

## I. WHAT'S THE BIG IDEA?

Paul and Silas did everything right, and things still fell apart. We can learn from them about keeping our focus as God brings order into our chaotic situation.

## II. STAYING FOCUSED IN A FRUSTRATING WORLD.

- A. Focus on principles when you can't see the plan.
- B. Focus on the fruit, not the frustration.
- C. Focus on worship, not your worries.
- D. Focus on the people, not just the predicament.
- E. Focus on God's provision not just the problem.
