September 21, 2025

I. WHAT'S THE BIG IDEA? *Matthew 6:33-7:6*

There is a significant difference between judging a behavior or a belief and passing judgment on a person. We are commanded to judge with righteous judgment, but not to pass judgment on others, as that is God's job.

II. HOW TO JUDGE

A. Seek first Kingdom priorities.

B. Do not pass judgment, or judgment will passed upon you.

C. As you treat others, you will be treated.

D. Don't be a blind hypocrite:

1. Evaluate yourself first.

2. Evaluate those you love.

E. Don't expect ungodly people to understand.
