I. WHAT'S THE BIG IDEA?

In this life, we must sometimes survive bad leaders. What we do, and don't do, during those times can determine our future.

II. The Do's and Don'ts of surviving Bad Leaders:

A. Do:

1. Choose to follow good leaders.
2. Trust God to calm the turbulent spirit in your leaders.

3. Allow God to discipline His chosen leaders.
4. Trust God to send good people to help you.
5. Honor the position even if you can't honor the person.
6. Accept praise, but beware of flattery.
7. Hold your post until God relieves you.

**B. Don't:**

1. Make bad decisions in bad situations.
2. Take for granted the presence of the Lord in your leadership.
3. Take matters into your own hands.
4. Believe everything people say about you.
