Servant Leadership

March 31, 2019

I. WHAT'S THE BIG IDEA?

Jesus sets a revolutionary example for us. The Servant Leadership Model goes **AGAINST our nature, but flows **WITH** the Kingdom of God.**

II. JESUS ON LEADERSHIP:

A. If you want to become a leader, you should serve your way to the top.

B. If you are already the leader, you should serve those you lead.

C. If you live a life of service, you will be blessed (by God and by others).
