May 5, 2019

I. WHAT'S THE BIG IDEA?

When Jesus teaches on leadership he is clear about two things: 1. Kingdom people are stewards and not owners. 2. God, the Father, rewards faithfulness.

II. PRINCIPLES OF FAITHFULNESS

A. If we are faithful in what belongs to others, we will be given what is our own.

B. If we are faithful in small things, we will be given responsibility in greater things.

- C. If we are faithful over time, we will be rewarded with leadership responsibility.**
- D. If we are faithful in unimportant things, we will be given responsibility in more important things.**
- E. If we are faithful in natural things, we will be trusted with spiritual things.**
