

The Battle is the Lord's ... and Mine

September 17, 2023

I. WHAT'S THE BIG IDEA?

The scripture promises many times that God will fight for us. If this is true, two questions come to mind: 1. What is our responsibility? 2. Why is it sometimes so difficult?

II. TWO PROMISES:

- A. The Lord will fight for you.
- B. These enemies you will see no more.

III. WHAT IS OUR RESPONSIBILITY?

- A. Manage your fear
- B. Stand firm
- C. Watch God
- D. Hold On to Peace

IV. DIFFICULTIES:

- A. We see the problem so clearly, that we can't imagine a solution.**
- B. We get overwhelmed by emotions of fear, anger, and depression.**
- C. We get stuck in old habits.**
- D. We fail to take hold of what God has already done.**
- E. We forget gratitude and generosity.**
