January 14, 2024

### I. WHAT'S THE BIG IDEA?

Jesus came to re-build the bridge connecting people to the Father. We step onto that bridge when we are saved. We spend the rest of our natural lives discovering the richness of that connection.

### II. CROSSING THE BRIDGE

A. We have been disconnected from the World.

B. We have been connected to God, the Father.

C. We have been connected to the Family of God.

**D. We live in the hope of an ever-unfolding,  
productive, and fulfilling future.**
