

Good Success - 2

April 3, 2022

I. WHAT'S THE BIG IDEA? Josh 1:5-9

Good success requires wisdom. Wisdom can be gained through education, or pain. If we can learn from the pain of others, we need not make their same mistakes.

II. LEARN FROM MY MISTAKES

A. Don't let others keep you from chasing God.

B. Don't just resist your weaknesses; try to understand and overcome.

C. Don't let disappointment slow you down.

D. Don't be afraid to fail.

E. Don't try to be somebody else – even if you respect them.

F. Don't be impressed with yourself.

G. Don't be surprised if you are misunderstood.

H. Don't be surprised if a spiritual life is sometimes lonely.
