

Staying Focused In Times of Revival

February 19, 2023

I. WHAT'S THE BIG IDEA?

Revivals throughout history seem to have common themes and results. Staying focused on the right things can help us receive from God and continue to move forward

II. STAYING FOCUSED IN TIMES OF REVIVAL.

- A. Focus on seeking God's Face, not His Hand.
- B. Focus on repentance and holiness not justification and judgment.
- C. Focus on surrender in the moment, not controlling the experience.
- D. Focus on inner healing, not an individual's behavior.
- E. Focus on God's sovereignty not leadership personalities.

F. Focus on the Wind of the Spirit, not weirdness.

G. Focus on the words:

- 1. God's words to you**
- 2. Your words to God.**
- 3. One day, He will come for your words.**
