

# **Immanuel: Among Us – 30**

## **Double Vision**

**October 13, 2018**

### **I. WHAT'S THE BIG IDEA?**

**Sometimes, when we look at a person or a situation, we see what we are seeing so clearly that we cannot see what we might be missing. God wants us to see what He sees looking with His eyes.**

### **II. DOUBLE VISION**

**A. We would do well to ask two questions:**

- 1. Lord, what do You see when you look?**

2. **What am I missing because of what I am looking at?**

**B. What did the Pharisee see?**

1. **A sinner.**
2. **Someone to be avoided.**
3. **Someone to be scorned.**
4. **Someone to be punished.**

**C. What did Jesus see?**

1. **A sinner – who was repentant.**
2. **Someone to be loved.**
3. **Someone to be forgiven.**
4. **Someone to be given a second chance.**
