I. WHAT'S THE BIG IDEA?

The obedience of Jesus brought life, just as the disobedience of Adam brought death. Likewise, the obedience of Mary set the course for Jesus' life, and the disobedience of Eve set the course for Adam. We can learn valuable lessons from them all.

II. 7 LESSONS FROM MARY'S LIFE

1. Grace is a gift; you don't have to understand it to accept it.
2. God uses ordinary people to do extraordinary things.
3. Life can turn on a dime. God is the only constant.
4. The greatest blessings are often the unexpected ones.
5. Life, God's great adventure, is better when shared
6. Nothing shall be impossible for God
7. God can do in other people's hearts what we cannot.
