

Focus and the Future

January 8, 2023

I. WHAT'S THE BIG IDEA?

Just like the spies in the Promised Land, our focus determines our future. As we share their focus, we will share their fate.

II. FOCUS AND FUTURE

A. Focus on the promise, and not the problem.

B. Focus on your faith, and not your fear.

C. Focus where you want to go, not where you are.

D. Focus on how God sees you, not how others see you.

E. Walk with people who share your focus.
