

# Easter 2022

## So What?

April 17, 2022

### I. WHAT'S THE BIG IDEA? Col 2:8-15

Christians celebrate the resurrection more than any other event in history. If, however, I am to celebrate it personally, I must know what it means for me.

### II. WHY SHOULD THE RESURRECITON MATTER?

A. It confirmed who Jesus is.

B. Jesus accomplished some things for us:

1. He made us alive.

2. He forgave our transgression.

3. He cancelled our debt.

4. He disarmed the devil.
