

Will it Blend? - Luke 23:50-56

1. What are some causes that you are passionate about? Ie, pro-life, human trafficking, animal cruelty.
2. How does this story of Joseph of Arimathea sit with you? How do you feel knowing that this man was part of the counsel that put Jesus to death and at the same time was a disciple o Jesus?
3. Are there any decisions that you need to make that you are "holding off" on making? What will be the outcome if you do nothing?
4. Like Joseph, Nicodemus (John 19:38-39) was also a secret disciple of Jesus. Both of these men were fearful of what would happen if people found out that they were followers of Christ. How can we use scripture, prayer, and coming to the house of God to prepare us to stand for Christ?
5. In what ways can you let your light shine brighter for the world to see?
