

## X - 2 Corinthians 5:17

The Human Paradigm is all about earning.

The Jesus Paradigm is about Jesus already paying for everything.

1. What is your current X within the Human Paradigm? (i.e., financial security, buy a house, get married, get in shape, etc.)
2. What are some past X's in your life in which you have fallen short of attaining?  
Are you succeeding in achieving your current X?
3. What is the problem with the Human Paradigm as it relates to the Kingdom of God?  
How is it contrary to the Jesus Paradigm?
4. What impact does adoption have on your Human Paradigm X?
5. How have you seen, personally, the fact that after your current X, there is always another one?
6. How does being adopted into King Jesus' family give you rest? Hebrews 4:11
  - The Human Paradigm asks, "How am I doing?"
  - The Jesus Paradigm moves us into a new question:  
"God, how can you be this good?!"
 The heart of practical discipleship asks:
  - "How am I doing loving the people God has already put in my life and responding to His goodness?"
7. End your time together today, answering and discussing these two questions.
  - "God, how can you be this good?!"
  - "How am I doing loving the people God has already put in my life and responding to His goodness?"
