LUKE 14:25-35 SV

25-27 As the crowd followed, Jesus turned to talk to them. "If you want to be my disciple, your love for your mom, dad, wife, brothers, sisters and kids, even YOURSELF, must be on a lower level than I am! If not, you cannot be my disciple. If you are not willing to take responsibility for your assignment in life, you will not be MY disciple." 28-30 "Who would start a building project without knowing they had sufficiency to finish? Don't even think about it until you count what it is going to cost. If you started and only finished a little bit, everyone would be laughing at you. They would point you out as the person who started the project, but could not finish it." 31-33 "What King would war with another King before checking with his generals to see if their ten-thousand member army could beat the other army of twenty-thousand? If they decided not to fight, they could send forth men to strike a truce. My point is, you will never be my disciple without giving up all you have." 34-35 "Salt is great for seasoning, but if it loses its flavor there is no way for it to be regained. Salt without flavor is worthless and thrown away. If you have ears to hear, hear and understand what I am saying."
