EXPLORE GOD - APRIL 18, 2021

Week 2: Is the Bible reliable?

Opening:

1. What did you believe about the Bible growing up?

Diving Deeper:

1. What is the purpose of the Bible? Read 2 Timothy 3:15-17 and John 5:39-40 and discuss.
2. In your opinion, how does society view the Bible today?
3. We are called to give an answer for our faith at all times. Read 1 Peter 3:15 and discuss a time when you shared your faith with someone.
4. Do you believe that the Bible is trustworthy? Why or why not?
5. Does the entire Bible apply to us today? Are there sections of the Bible that are not relevant, or less relevant, in today's society?
6. The Bible carries power, authority, and support for our daily lives. Read Psalm 19:1-4, 7-8, Romans 15:4 and Hebrews 4:12. What do these scriptures reveal about God's Word in our daily life?
7. What is your current rhythm with reading Scripture? Or share methods you have used in the past that have worked for you.
8. Have each person pick a section of Psalm 119 and read it out loud to the group. How does this resonate with you?
