Scripture is one of the main ways that God has revealed Himself to humanity. As followers of Jesus, we should be intentional about time in Scripture, seeking God for meaning, and then applying it to our lives. I've never met a mature Christian that doesn't have consistent time in the Bible!

We understand life is busy! If possible, try to read the passages and answer the first page separately. If time doesn't allow, feel free to answer together! It can be really cool to see how God speaks through the same passage of Scripture, differently, to different people!
