Scripture is one of the main ways that God has revealed Himself to humanity. As followers of Jesus, we should be intentional about time in Scripture, seeking God for meaning, and then applying it to our lives. I've never met a mature Christian that doesn't have consistent time in the Bible!

We understand life is busy! If possible, try to read the passages and answer the first page separately. If time doesn't allow, feel free to answer together! It can be really cool to see how God speaks through the same passage of Scripture, differently, to different people!

Complete this next section **TOGETHER:**

1) God speaks to different people in different ways, through the same passage. What is one thing that surprised you when you compared your answers from above?

2) The Golden Calf incident happened after the Israelites had seen miracle after miracle and had agreed to follow the Lord. Why do you think they wanted something else to worship?

3) The Golden Calf was an idol. Have student & parent list 3 'idols' that people their age worship in our country today:

STUDENT 1) _____
2) _____
3) _____

PARENT 1) _____
2) _____
3) _____

4) Compare the above lists---have student & parent share why people 'worship' these things in our culture:

STUDENT: _____

PARENT: _____

5) I think the main reason we seek out 'idols' is lack of identity---how does Jesus give us identity?
