Scripture is one of the main ways that God has revealed Himself to humanity. As followers of Jesus, we should be intentional about time in Scripture, seeking God for meaning, and then applying it to our lives. I've never met a mature Christian that doesn't have consistent time in the Bible!

We understand life is busy! If possible, try to read the passages and answer the first page separately. If time doesn't allow, feel free to answer together! It can be really cool to see how God speaks through the same passage of Scripture, differently, to different people!

Complete this next section **TOGETHER:**

1) God speaks to different people in different ways, through the same passage. What is one thing that surprised you when you compared your answers from above?

2) In Genesis 1, what was unique about humanity that was different than everything else that God created?

3) In the lesson on Wednesday, the statement was made that '*almost every sin is because we fail to see people as made in the image of God.*' What does this mean and would you treat people differently if you saw them as made in the image of God?

4) In Genesis 3:1-5, how did Satan tempt Adam & Eve? (Think deeper than the actual words--what was he trying to attack, over-promise, or hide?)

5) **PARENTS**---What was the biggest temptation you and your friends faced when you were in middle school? How does that compare with what you think middle schoolers face today?

**Close your time in prayer, using something that came up during your discussion.
