Reflection Time - Use this space to silently reflect on these questions:

Write a letter to yourself from Jesus' perspective. We saw in Revelation 2-3, Jesus wrote to 7 churches and applauded them in certain ways and called them to change in certain ways. Either way that Jesus responded, it was in love and a call to be faithful to Him.

Imagine Jesus were to personalize one of these letters for you, how would He commend (or applaud) your faith? How would He convict you to change or challenge you? During this assignment, remember that Jesus truly desires that all would be saved, and He is FOR you and not against you. He is completely truthful and will call us to change, because He loves us. Make sure you list things in both categories and don't think you are bragging about yourself!

Dear _____ (Insert your name)

As you your loving Savior, I wanted to applaud you in your faith in the following ways:

As your loving Savior, I also wanted to challenge you to grow or change in the following ways:

I love you and want you to know that life is only found in Me and through Me!

Love,

Jesus

Scripture is one of the main ways that God has revealed Himself to humanity. As followers of Jesus, we should be intentional about time in Scripture, seeking God for meaning, and then applying it to our lives. I've never met a mature Christian that doesn't have consistent time in the Bible!

*We understand life is busy! If possible, try to read the passages and answer the first page separately. If time doesn't allow, feel free to answer together! It can be really cool to see how God speaks through the same passage of Scripture, differently, to different people! **ONCE COMPLETED, PLEASE SIGN ABOVE!***
