

HOT TOPICS WITH MIKE WHITE

DISCUSSION GUIDE WEEK TWO

1. What stood out to you from the talk tonight? Did anything help you support the reliability of the Bible?
2. What are the biggest objections you've heard about the reliability of the Bible? Do you have any struggles with the reliability of the Bible?
3. In your own words, how can you have confidence in the reliability of the Bible, especially when compared to other ancient literature?
4. Does the fact that the Biblical manuscripts have a large amount of errors give you pause in trusting the Bible's reliability? How can you explain the number and types of errors?
5. Read John 5:39-40---what does this mean for your life?
6. Read 2 Timothy 3:16-4:4 - discuss the purpose of Scripture. How has this purpose affected your life?
7. Does the entire Bible apply to us today? Are there parts that aren't relevant or less relevant?
8. In light of 2 Timothy 4:1-4, how have you seen society shift away from trusting in Scripture? What has become the source of morality?
