

UFO's, UAP's, and Close Encounters of the "Third Kind" *We Are Not Alone!*

Pastor Chris Engel — June 7th 2026

Ephesians 6:10-14 (NIV)

¹⁰Finally, be strong in the Lord and in his mighty power. ¹¹Put on the full armor of God, so that you can take your stand against the devil's schemes. ¹²For our struggle is not against flesh and blood, but against the rulers, against the authorities, against the powers of this dark world and against the spiritual forces of evil in the heavenly realms. ¹³Therefore put on the full armor of God, so that when the day of evil comes, you may be able to stand your ground, and after you have done everything, to stand. ¹⁴Stand firm then, with the belt of truth buckled around your waist, with the breastplate of righteousness in place,

- **Proper perspective begins when you stand in the right place.** (vs. 10-11; Hebrews 11:1-3; 2 Corinthians 4:18; John 4:24)

"You must understand that this is not a physical or intellectual issue, it is spiritual; and we cannot discuss Aliens and UAP's without first putting on the Full Armor of God."

*"I don't think they're aliens, I think they're demons."
Vice President J.D. Vance*

- **We are not alone!** (vs. 12; Job 1:6)
- **There are non-human intelligent beings moving between the physical (*seen*) world and the spiritual (*unseen*) world.** (vs. 12; Ezekiel 1:1-6; 2 Kings 2:11; Daniel 10:5-6; Isaiah 6:2-4)

Scientists hypothesize that there are other dimensions, the Bible leaves no room for doubt. There are UAP's in the Bible!

"I think in four dimensions, but only abstractly. The human mind can picture these dimensions no more than it can envisage electricity. Nevertheless, they are no less real than electromagnetism..."

Einstein

- **We are at war with non-human intelligent beings that are primarily interested in deceiving and undermining "The Truth".** (vs. 12-14; John 8:32; Matt 24:24; James 4:7)

"If encounters of the Third Kind involve non-human intelligences communicating anti-Christian messages, then we would be right to take those reports seriously—not primarily as aerospace questions, but as a spiritual ones."

*The most important question is...
"what are they saying about Jesus and the Gospel?"*
